

An aerial photograph of a resort pool. The pool is rectangular and built on a wooden deck over clear, turquoise water. A person is swimming in the pool. The deck is furnished with several lounge chairs and white umbrellas. To the right of the pool is a thatched-roof hut. In the background, a long wooden pier extends into the water, and a sandy beach with palm trees and other buildings is visible.

THE MALDIVIAN VILLAGE EXPERIENCE

Step into a world where tradition thrives. The Living Maldivian Village brings the island's rich heritage to life, offering a glimpse into age-old customs and craftsmanship. Wander through thatched-roof homes, explore local livelihoods from fishing to coconut weaving, and visit a traditional school setup. A dedicated gallery showcases key moments in Maldivian history, offering a rare glimpse into the nation's rich past and vibrant culture. A story of culture, preserved and alive.

IASO MEDI SPA

Heritage Aarah's Medi Spa is the first of its kind in the archipelago. The spa complex consists of six treatment rooms set over the lagoon with views of the eastern coast of the island. A choice of premium health and beauty treatments with professional consultations to balance the body, mind and soul are offered; along with steam room facilities.
